**Subject:** WATERBOARDS Comment Letter - Variance Policy – Scoping Comments due 2.3.2017 Noon  
**Date:** Friday, February 03, 2017 12:01:14 PM

---

How does this policy contribute to identification of violations? Are source points the responsible parties? How are non-source point occurrences being factored?

How does this effect ambient water quality?

What funding mechanism is identified to fund compliance?
