

RESOLUTION NO. 69-12

ADOPTING SUPPLEMENTAL THERMAL OBJECTIVES FOR WATER  
QUALITY CONTROL POLICIES FOR CALIFORNIA'S INTER-  
STATE WATER

(This was not acted upon at the 8/7/69 meeting.  
It probably won't be adopted. If it ever is,  
a new number will probably be assigned, in which  
case there will be no Resolution No. 69-12.)
