

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 72-66

AUTHORIZING AMENDMENT TO THE CONTRACT BETWEEN THE STATE WATER RESOURCES CONTROL BOARD AND THE BIOME COMPANY, INCORPORATED, TO ALLOW AN EXTENSION OF TIME FOR COMPLETION OF STUDIES TO DEVELOP A METHOD OF BIOLOGICAL MONITORING OF WASTE DISCHARGES TO THE OCEAN

WHEREAS:

1. The State Water Resources Control Board and the BIOME Company, Incorporated, executed Standard Agreement No. 1-2-52 on October 13, 1971, to authorize a study of "The Demonstration and Standardization of a System for Biotic Monitoring of Marine Waste Dispersion Fields" as described in "Exhibit A" of said agreement.
2. The study was completed in part and a preliminary draft of a final report submitted to the Board on September 5, 1972.
3. The BIOME Company has requested an extension of time until December 31, 1972, to complete important aspects of the study, and additional funds.
4. It appears that such request is justified and should be granted.

THEREFORE BE IT RESOLVED:

1. That this Board enter into an amendment to Standard Agreement No. 1-2-52 with BIOME Company for an extension of time to complete the study until December 31, 1972, and for the installation of additional biologic monitoring stations and the analysis of samples from these stations during the period October 1, 1972, through December 31, 1972, at an additional cost to the State not to exceed \$5,000.
2. That the Executive Officer or Chief, Division of Administrative Services, be authorized to execute the amendment to the agreement on behalf of the Board.

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 5, 1972.
