

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 80-24

Authorizing acceptance of the draft final report "Design and Construction Report for the Manila Septic Tank Effluent Pumping Project".

WHEREAS:

1. The Manila Community Services District has submitted a draft final report "Design and Construction Report for the Manila Septic Tank Effluent Pumping Project" as required in Contract 7 154 41.
2. The draft design and construction report has been reviewed by the Board Members and State Board staff of the Alternative Systems Unit.
3. The Draft design and construction report is in accord with the demonstration component of Alternative Systems Action Plan dated March 1979.

THEREFORE BE IT RESOLVED:

That the State Board accept and approve the draft final report "Design and Construction Report of the Manila Septic Tank Effluent Pumping Project" in fulfillment of Standard Agreement No. 7 154 41.

CERTIFICATION

The undersigned Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 17, 1980.

Clint Whitney
Executive Director
