

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 80-46

ACCEPTING A GRANT FROM THE  
U. S. ENVIRONMENTAL PROTECTION AGENCY (EPA)  
TO COLLECT DATA ON THE COSTS OF  
ARCHITECTURAL/ENGINEERING (A/E) SERVICES

WHEREAS:

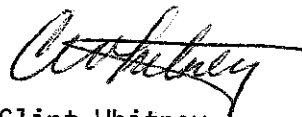

1. The EPA has offered the Board a grant of approximately \$100,000 to collect data on the costs of A/E services.
2. Such data will be used by EPA to develop cost curves and charts for A/E services.
3. Such curves and charts would provide a valuable tool to Clean Water Grant Program grantees and State Board staff in reviewing the price of A/E services for reasonableness.

THEREFORE BE IT RESOLVED:

That the Board authorizes the Executive Director to submit an application for and accept a grant of approximately \$100,000 for collection of data on the costs of A/E services.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on July 17, 1980.

Clint Whitney  
Executive Director
