

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 80-70

AUTHORIZING ADDITIONAL GRANT ELIGIBLE
CAPACITY FOR CONTRA COSTA COUNTY SANI-
TATION DISTRICT NO. 7A (CCCSO NO. 7A)

WHEREAS:

1. State Board Order No. WQG 80-10 directed the Division of Water Quality (Division) to evaluate the effect of E-0 population projections to 1989 in determining grant eligible capacity for CCCSD No. 7A.
2. State Board Order No. WQG 80-10 also directed the Division to evaluate the effect of taking into consideration industrial reserve capacity in determining grant eligible capacity.
3. The Division has reevaluated the grant eligible capacity of the CCCSD No. 7A project, taking into consideration the two above mentioned items.
4. The Division has prepared a report on the results of the review and presented it to this Board.

THEREFORE BE IT RESOLVED:

1. That the eligible capacity of the CCCSD No. 7A project be increased by 0.13 million gallons per day to allow for industrial reserve capacity.
2. That additional capacity be granted for the one-year growth which occurred because of the delay in start of construction. This additional capacity is granted because of the unique circumstances applicable to this grantee.
3. The eligible cost for the industrial reserve and increased population projection shall be \$34,305.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 16, 1980.

Executive Director
