

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 81-39

AQUATIC TOXICOLOGICAL CONSULTANT SERVICES FOR THE COOPERATIVE
STRIPED BASS STUDY AND THE TOXIC SUBSTANCES CONTROL PROGRAM

WHEREAS:

1. Expertise in the areas of aquatic toxicology, oceanography, and water pollution chemistry is continuously needed for technical guidance for the interagency Cooperative Striped Bass Study.
2. Such expertise has been and will continue to be of beneficial use to the State Board's Toxic Substances Control Program, Regional Boards, and Bay-Delta Program.
3. The services provided by the Foundation for Ocean Research are essential for successfully completing and utilizing the results from the Cooperative Striped Bass Study.

THEREFORE BE IT RESOLVED:

That the State Water Resources Control Board's Executive Officer be authorized to negotiate and execute a standard agreement in an amount not to exceed \$60,000 for 18 months for aquatic toxicological consultant services necessary for the Board's Toxic Substances Control Program and Cooperative Striped Bass Study.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 16, 1981.

Executive Director
