

STATE WATER RESOURCES CONTROL BOARD

RESOLUTION NO. 81-74

EXPRESSING APPRECIATION TO LEONARD BURTMAN

WHEREAS the State Water Resources Control Board wishes to commend Leonard Burtman for the contributions he has made to the water quality control program of California; and

WHEREAS Leonard earned his B.S. in Civil Engineering from the University of California at Berkeley, and became a Registered Civil Engineer in California; and

WHEREAS Leonard provided professional engineering service with dedication and competence for:

- o The Territory of Alaska Highway Department,
- o The San Diego County Public Works Department for three years,
- o The California Regional Water Quality Control Board, San Diego Region, as a staff engineer for fifteen years, and as Executive Officer for the past eight years; and

WHEREAS Leonard co-authored the California Water Pollution Control Association's Mathematics Workbook for Wastewater Treatment Plant operators, which is extensively used in training courses for treatment plant operators; and

WHEREAS Leonard has been honored by selection for membership in the Select Society of Sanitary Sludge Shovelers; and

WHEREAS Leonard was the recipient of the Arthur Sydney Bedell Award, presented by the Water Pollution Control Federation "... for extraordinary service in the water pollution control field ..."; and

NOW, THEREFORE, BE IT RESOLVED, that the State Water Resources Control Board, on behalf of itself and the people of California, wish to thank Leonard for outstanding service; and

BE IT FURTHER RESOLVED that the Board extends best wishes for success and happiness to Leonard in his future activities.

Dated: August 20, 1981
