

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 81-105

AUTHORIZING MEMORANDUM OF UNDERSTANDING ON PESTICIDES BETWEEN THE
STATE WATER RESOURCES CONTROL BOARD AND THE DEPARTMENT OF FOOD
AND AGRICULTURE

WHEREAS:

1. A draft Memorandum of Understanding (MOU) on pesticides has been developed jointly with the Department of Food and Agriculture (DFA). The MOU sets forth the framework for the State Board and DFA to work closely together to prevent pesticide impacts on water quality.
2. The MOU stresses identification of priority pesticides of potential water quality concern and subsequent evaluation of data supporting this concern by the DFA Pesticide Registration and Evaluation Committee.
3. A guidance document implementing the MOU has been prepared to provide statewide direction to the Regional Boards. The State Board will coordinate Regional Board concerns on specific pesticides and transmit these to the DFA Committee with specific recommendations to mitigate any adverse effects on beneficial uses of water.

THEREFORE BE IT RESOLVED:

That the State Board authorizes:

A Memorandum of Understanding on Pesticides between the Board and the Department of Food and Agriculture to be signed by the Chairwoman on behalf of the Board.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on December 17, 1981.

Executive Director
