

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION 84-1  
EXPRESSING APPRECIATION TO DR. JAMES T. ALLEN

WHEREAS, Dr. James T. Allen has left the employment of the California Water Resources Control Board after ten years of increasingly important assignments and effective service, and

WHEREAS, Dr. James T. Allen played an important role in the development and implementation of major programs to control hazardous wastes and detect toxic pollution problems in California, and

WHEREAS, Dr. James T. Allen provided strong leadership for the State and Regional Board Marine-Estuarine Technical Committee, which designed, implemented and managed coastal and bay studies that provided vital information for the Clean Water Grants program, and

WHEREAS, Dr. James T. Allen made a major contribution to the development of the State Board Toxic Substances Control Program during its initial stages, and

WHEREAS, Dr. James T. Allen played a primary role in effectively implementing the federal Resource Conservation and Recovery Act in California, and

WHEREAS, Dr. James T. Allen provided expertise and leadership to the California water quality control program in a wide variety of roles and with a high degree of success,

NOW, THEREFORE, BE IT RESOLVED: That the California Water Resources Control Board expresses its appreciation to Dr. James T. Allen for his outstanding record of service and his contributions to the environmental health of California, and

BE IT FURTHER RESOLVED: that the California Water Resources Control Board extends its congratulations to Dr. James T. Allen on his appointment as Chief of the Sacramento Regional Office of the Toxic Substances Control Division of the California Department of Health and wishes him well on his new assignment.
