

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 84-65

STATE BOARD ACCEPTANCE OF REPORT ENTITLED,
"GLYPHOSATE USE IN FORESTRY (ROUNDUP) AND
AQUATIC WEED CONTROL (RODEO): A WATER QUALITY ASSESSMENT"

WHEREAS:

1. Toxics Special Project staff has prepared a report on glyphosate use in aquatic and silvicultural weed control;
2. The report incorporates peer review comments from scientists recognized in the fields of environmental chemistry and toxicology, as well as technical comments from scientists from other state and federal agencies;
3. The major findings of this report are summarized in the agenda item fact sheet;
4. Staff has developed several recommendations for mitigating the impacts of glyphosate on beneficial uses of water.

THEREFORE BE IT RESOLVED:

1. That the State Board accept the report entitled "Glyphosate Use In Forestry (ROUNDUP) and Aquatic Weed Control (RODEO): A Water Quality Assessment."
2. That staff be instructed to transmit the specific recommendations in the report to appropriate state and federal agencies and pesticide registrants.
3. That staff be instructed to prepare a supplemental report on glyphosate and its formulated products (ROUNDUP and RODEO) which includes review of all relevant information on environmental fate, monitoring, and toxicity.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on September 20, 1984.

Michael A. Campos
