

STATE WATER RESOURCES CONTROL BOARD

RESOLUTION NO. 84- 72

READOPTION OF REVISED REGULATIONS GOVERNING DISCHARGES OF WASTE TO LAND

WHEREAS:

1. The State Board adopted revised regulations governing discharges of waste to land by Resolution No. 84-33 on May 1, 1984, and directed that such revised regulations be transmitted to the Office of Administrative Law (OAL) for approval; and

2. OAL disapproved the regulations on August 6, 1984, citing procedural deficiencies in the regulations, the final statement of reasons, and the rulemaking file; and

3. Staff has proposed modifications to the text of the regulations and to the final statement of reasons, and has updated the rulemaking file, to correct the deficiencies identified by OAL; and

4. The text of the modified regulations was made available to the public for review and comments on September 21, 1984 pursuant to a notice which was sent to all interested persons; and

5. Such modifications do not alter the substantive impact of the revised regulations adopted on May 1, 1984 on the regulated community.

THEREFORE BE IT RESOLVED:

1. That the text of the revised regulations governing discharges of waste to land adopted by the State Board on May 1, 1984 by Resolution No. 84-33 (attached thereto as Attachment II) be amended to conform to the text attached to this Resolution as Attachment I.

2. That the revised regulations as modified by this Resolution be resubmitted to OAL together with the updated final statement of reasons and rulemaking file, with a request for expedited review and for an immediate effective date on approval.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of an resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on October 18, 1984.
