

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 85- 37

AMENDMENT OF REGULATIONS GOVERNING STORAGE OF HAZARDOUS
SUBSTANCES IN UNDERGROUND STORAGE TANKS TO BE CODIFIED
IN SUBCHAPTER 16 OF CHAPTER 3 OF TITLE 23 OF THE
CALIFORNIA ADMINISTRATIVE CODE (23 CAC SECTIONS 2610-2714)

WHEREAS:

1. The State Board adopted proposed regulations governing underground storage of hazardous substances by Resolution No. 85-6 on January 18, 1985 and directed that such proposed regulations be transmitted to the Office of Administrative Law (OAL) for approval.
2. OAL disapproved the proposed regulations on April 1, 1985 citing procedural deficiencies in the proposed regulations and the rulemaking file.
3. Staff has prepared modifications to the text of the proposed regulations and has updated the rulemaking file to correct the deficiencies identified by OAL.
4. The text of the modified portions of the proposed regulations was made available to the public for review and comment on May 14, 1985 pursuant to a notice which was sent to all interested persons.
5. The modifications do not alter the substantive impact of the proposed regulations adopted on January 18, 1985 on the regulated community.

THEREFORE BE IT RESOLVED:

1. That the text of the proposed regulations governing storage of hazardous substances in underground tanks adopted by the State Board on January 18, 1985 by Resolution No. 85-6 (Attachment 2) be amended to conform to the text attached to this resolution (Attachment 1).
2. That the proposed regulations as modified by this resolution be resubmitted to OAL together with the updated rulemaking file with a request for expedited review and for an immediate effective date on approval.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 6, 1985.

Michael A. Campos
Executive Director
