

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 86-19

AUTHORIZING FUNDING FOR DESIGN OF THE MANILA
COMMUNITY SERVICES DISTRICT LEACHFIELD DISPOSAL

WHEREAS:

1. The State Board adopted Resolution No. 77-90 on October 20, 1977, authorizing the use of the State Bond monies to fund 100% of the eligible design costs of Manila's Innovative/Alternative demonstration project with temporary leachfield disposal.
2. State and Federal Clean Water Grant funds, including supplemental innovative/alternative funding, were used to construct Manila's facilities.
3. Manila's constructed leachfield disposal was intended to be temporary until the District could connect to the Humboldt Bay Wastewater Authority Regional Sewerage System.
4. The Humboldt Bay regional system was not built, and Manila continued to use the temporary leachfield which is now failing.
5. Manila has completed planning for permanent leachfield disposal and has requested state funding assistance to complete design.

THEREFORE BE IT RESOLVED:

That the State Board approves funding in the amount of \$80,000 from 1978 Bond Funds for design of the Manila Community Services District permanent leachfield disposal facilities.

CERTIFICATION

The undersigned, Interim Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on March 20, 1986.
