

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 86-44

ADOPTION OF A REVISED SET OF WATER RIGHT REGULATIONS

WHEREAS:

1. On February 21, 1985, the State Board adopted Resolution No. 85-18, adopting, amending and revising certain water right regulations.
2. On August 27, 1985, the Office of Administrative Law (OAL) approved the repeal of certain regulations, but disapproved the adoption of new regulations and the amendment of existing regulations.
3. Amendments were proposed to two of the regulations which were disapproved by OAL, renumbered Section 683 and new Section 800 of Title 23 of the California Administrative Code, to correct deficiencies identified by OAL.
4. The proposed amendments are sufficiently related to the original text of the regulations that the public was adequately placed on notice that the change could result from the originally proposed regulatory action.
5. The proposed amendments were circulated for public comment by a notice dated March 10, 1986.
6. Nonsubstantial and solely grammatical changes were also made in the regulations to correct reference citations and to correct clerical and typographical errors.

THEREFORE BE IT RESOLVED THAT:

1. The revised set of regulations appended to this resolution be adopted.
2. The Executive Director transmit the revised regulations, together with the revised rulemaking file, to OAL.

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on June 19, 1986.
