

State of California
State Water Resources Control Board
Resolution No. 87-40
Expressing Appreciation To

Ray Dunham

WHEREAS, The State Water Resources Control Board is charged with the orderly administration of water rights and water quality control, and

WHEREAS, A thorough understanding of all the facets of water rights and water quality control is necessary to maintain an orderly system, and

WHEREAS, Ray Dunham has during his 36 years of service with the State of California devoted himself to the equitable administration of water rights and various programs to protect the environment of ocean and inland waters in California, and

WHEREAS, Ray has proven himself to be an outstanding Environmental Program Manager and environmental expert on the protection of fish and wildlife through the Board's water right and water quality authority, and

WHEREAS, Ray has provided his professional service with dedication and competence throughout his service with the state in the Department of Fish and Game and the State Water Resources Control Board,

NOW, Therefore be it Resolved: That the State Water Resources Control Board on behalf of itself and the people of California wish to thank Ray for outstanding service, and

Be it further RESOLVED: That the State Water Resources Control Board wishes Ray success and happiness in his retirement.
