SERVICES DISTRICT - PROJECT NO C-06-2946-110

WHEREAS:

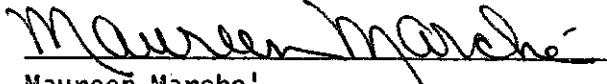

1. The Redwood Park Community Services District project received an EPA grant (Step 4) in September 1985 for a total eligible cost of \$157,315; and
2. The Division of Clean Water Grants is reviewing the plans and specifications for the project; and
3. The Redwood Park community has a population less than 5,000. Total eligible project costs are estimated to be under \$2.5 million; and
4. The State Board's Implementation Plan and Policy for the Clean Water Bond Law of 1984 provides that small, needy communities may receive a supplemental state assistance grant after receiving approval of final plans and specifications; and

6. The requested supplemental grant will not result in a combined federal and state assistance of more than 97.5% of the project eligible costs.

THEREFORE BE IT RESOLVED:

1. The State Board has determined that Redwood Park Community Services District is eligible to receive a supplemental state grant under the 1984 Clean Water Bond Law.
