

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 92-22

APPROVAL OF A NO-COST TIME EXTENSION FOR AN AGRICULTURAL  
DRAINAGE CONTRACT (CONTRACT NO. 8-662-300-0)  
WITH THE DEPARTMENT OF WATER RESOURCES

WHEREAS:

1. The State Water Resources Control Board (State Water Board) supports studies that would help solve agricultural subsurface drainage problems in the San Joaquin Valley.
2. The study findings will assist the growers to manage their irrigation and drainage waters and hence would result in water quality improvement.
3. The State Water Board has adopted Resolution No. 88-42 authorizing redirection of \$400,000 from State Assistance Program savings to fund these studies.
4. The time extension would allow the Department of Water Resources to complete these studies.

THEREFORE BE IT RESOLVED:

That the State Water Board approves the three-year, no-cost time extension for the interagency contract No. 8-662-300-0 with the Department of Water Resources.

CERTIFICATION:

The undersigned Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of the resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on March 19, 1992.

  
Maureen Marché  
Administrative Assistant to the Board
