

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 93-28

APPROVAL TO AWARD A SMALL COMMUNITY GRANT
TO SPANISH FLAT WATER DISTRICT

WHEREAS:

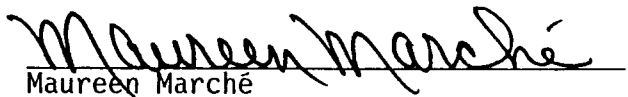

1. The Spanish Flat Water District has applied for grant funds as provided for under the Implementation Policy for the Small Community Grant Program (Policy) and pursuant to the Clean Water Bond Law of 1988;
2. The community of Spanish Flat has been included on the State Water Board's Small Community Grant Program funding priority list for Fiscal Year (FY) 1992;
3. The community of Spanish Flat has a permanent population of 118 and a median annual household income of \$22,640;
4. The Spanish Flat Water District is currently operating an undersized wastewater treatment facility and is in violation of their Waste Discharge Requirements.
5. The Central Valley Regional Water Quality Control Board has issued Cleanup and Abatement Order No. 89-715;
6. The Spanish Flat Water District has submitted a Draft Feasibility Study which recommends the construction of a treatment plant and collection system for the community of Spanish Flat;
7. The Spanish Flat Water District has submitted a Draft Revenue Program for the Spanish Flat project and it has been approved by the Division;
8. The Spanish Flat Water District approved a Negative Declaration for the proposed project (State Clearinghouse number 92113021) which has been reviewed and considered by the State Water Board, and it has been determined that the proposed project will not result in significant negative environmental impacts;
9. The Division of Clean Water Programs has issued Concept Approval;
10. The proposed project's estimated per household user charge (including debt service) of \$28 a month exceeds the \$20 a month guideline (for an annual median household income of \$22,640) established in the Implementation Policy as a criteria for determining project afford ability; and
11. The project is considered a "high cost project" with a total estimated project cost of \$1.39 million corresponding to a per household capital cost of \$17,820.

THEREFORE BE IT RESOLVED THAT:

Despite the Project's high cost, the Project has received local user support and the State Water Board hereby approves continued grant funding for the Spanish Flat Water District for design and construction of the wastewater system improvements at Spanish Flat.
