

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 93-34

APPROVAL OF STATE REVOLVING FUND LOAN  
FOR THE EAST BAY MUNICIPAL UTILITIES DISTRICT'S  
SAN ANTONIO CREEK WET WEATHER TREATMENT FACILITIES PROJECT

WHEREAS:

1. The State Water Resources Control Board, on August 18, 1988, adopted the "Policy for Implementing the State Revolving Fund for Construction of Wastewater Treatment Facilities", and amended it on September 20, 1990 and on January 21, 1993;
2. The State Water Board, on September 17, 1992, adopted the FFY 1993 SRF Loan Program Priority List which includes the East Bay Municipal Utilities District's San Antonio Creek Wet Weather Treatment Facilities project;
3. The Division of Clean Water Programs has approved the project report, environmental documents, and revenue program for the San Antonio Creek Wet Weather Treatment Facilities project; and
4. The information contained in the program EIR and Negative Declaration/Initial Study (State Clearinghouse No. 92013017) prepared for the proposed project has been reviewed and considered, and it has been determined that:
  - (a) Changes or alterations have been required in, or incorporated into, the project which avoid or substantially lessen potentially significant environmental impacts identified in the environmental documents with respect to the following aspects of the project: (1) erosion and short-term water quality impacts will be mitigated by following ABAG standards, restoring disturbed areas, preparing a geotechnical report to develop further recommendations, preventing sedimentation, and working with local agencies; (2) impacts to flood control channels will be mitigated by working with the Alameda Flood Control and Water Conservation District and the City of Oakland; (3) impacts to vegetation will be mitigated by replacing trees and restoring disturbed areas; and (4) aquatic habitat impacts will be mitigated by minimizing the area of disturbance.
  - (b) With respect to the other potentially significant environmental impacts identified in the EIR, Negative Declaration and Initial Study, appropriate changes or alterations are within the jurisdiction and responsibility of other public agencies, and such other changes or alterations have been adopted, or can and should be adopted, by other public agencies.

THEREFORE BE IT RESOLVED THAT:

The State Water Board approves a SRF loan of \$15.1 million for the EBMUD San Antonio Creek Wet Weather Treatment Facilities project, with a repayment period of twenty (20) years, and the first repayment due one (1) year after completion of construction.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 27, 1993.
