

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 93-108

APPROVAL OF A RESOLUTION TO PROVIDE  
A STATE REVOLVING FUND LOAN TO  
THE PACHECO WATER DISTRICT  
LOAN NO. C-06-6022-11

WHEREAS:

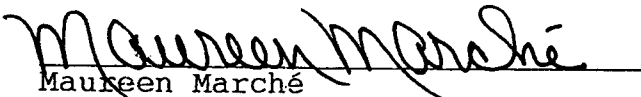

1. The Pacheco Water District (District) has requested a \$1,500,000 State Revolving Fund (SRF) loan for a San Luis Canal Water Conveyance and Drainage Facilities project.
2. The District has completed a Negative Declaration on November 11, 1993 to comply with the California Environmental Quality Act (CEQA) requirements.
3. The project is consistent with California Regional Water Quality Control Board, Central Valley Region, Resolution No. 88-195, approved by the State Water Resources Control Board in Resolution No. 89-88 for reducing agricultural subsurface drainage.
4. In addition to reducing selenium and salt loading to the San Joaquin River from agricultural subsurface drainage, the project will minimize the impacts of salt accumulation to the lower lands in the District.

THEREFORE BE IT RESOLVED THAT:

The State Water Board approve an SRF loan of \$1,500,000 for Pacheco Water District, with a repayment period of 20 years and the first annual repayment due one year after the first disbursement of loan funds.
