

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 96-057

APPROVAL OF A WATER RECLAMATION LOAN PROGRAM LOAN TO CENTRAL
CONTRA COSTA SANITARY DISTRICT FOR CONSTRUCTION OF ZONE 1--
PLEASANT HILL PHASE 1 RECYCLED WATER PROJECT
(CONTRA COSTA COUNTY)

WHEREAS:

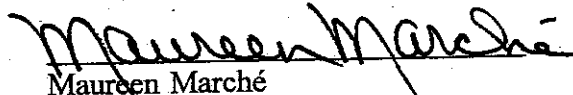

1. The Clean Water Bond Law of 1984 and the Clean Water and Water Reclamation Bond Law of 1988 established the Water Reclamation Loan Program (WRLP) to provide financial assistance for the design and construction of cost-effective water reclamation projects;
2. The Clean Water Bond Law of 1984 established the revolving Water Reclamation Account and approved \$25 million for loans. The repayments from these loans will be returned to the revolving account and are available for new loans;
3. The Bond Law of 1988 provides \$30 million for loans for water reclamation projects. An additional \$10 million from the Clean Water Bond Guarantee Fund was authorized for reclamation project loans. The repayments of these loans are returned to the State General Fund;
4. A loan application was submitted by Central Contra Costa Sanitary District (CCCSD) requesting funding for construction of Phase 1 Recycle Water Project;
5. The Division of Clean Water Programs staff has reviewed the application, planning documents and other supporting information for the project and has determined that the submitted documents comply with the WRLP Guidelines when considering Phase 1 and future Phase 2 combined. Phase 2 is not the subject of this loan application but it is necessary to meet the WRLP guidelines for cost-effectiveness. The CCCSD has provided reasonable documentation showing that the future Phase 2 Project is likely to be constructed; and
6. CCCSD adopted a Mitigated Negative Declaration (State Clearinghouse No. 93081025) prepared for the project, which has been reviewed and considered and it has been determined that the proposed project will not result in significant environmental impacts.

THEREFORE BE IT RESOLVED THAT:

The State Water Resources Control Board approves a WRLP loan of \$2.35 million to Central Contra Costa Sanitation District for construction of Zone 1-Pleasant Hill Phase 1 Recycled Water Project. The WRLP loan contract will have a repayment period of twenty (20) years, and the first loan repayment will be due two (2) years from award of the construction contract.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on August 15, 1996.

Maureen Marché
Administrative Assistant to the Board
