ADOPTION OF
CALIFORNIA WATER CODE SECTION 13263.3

WHEREAS:

1. The Clean Water Enforcement and Pollution Prevention Act of 1999 was signed by Governor Davis on July 12, 2000.
2. The Clean Water Enforcement and Pollution Prevention Act added Section 13263.3 to the California Water Code (CWC).
3. CWC Section 13263.3, under specified circumstances, allows the State Water Resources Control Board (SWRCB), Regional Water Quality Control Boards, and Publicly Owned Treatment Works to require dischargers that have National Pollutant Discharge Elimination System (NPDES) permits or are subject to the federal pretreatment program to prepare pollution prevention plans.
4. CWC Section 13263.3 requires the SWRCB to adopt a sample format to be used by dischargers for completing the pollution prevention plans prescribed by the section.
5. CWC Section 13263.3 requires the sample format to address all the factors required by the section and states that the SWRCB may include other factors determined to be necessary to carry out the section.
6. Although use of the sample format is not mandatory, CWC Section 13263.3 pollution prevention plans must address all elements included in the sample format.
7. SWRCB staff has prepared a format for adoption by the SWRCB.

THEREFORE BE IT RESOLVED THAT:

The SWRCB adopts the CWC Section 13263.3 pollution prevention plan formats.
