WHEREAS:

1. The Pacheco Water District (District) submitted an application for a \$500,000 loan from the Agricultural Drainage Management Program (ADMP) for the Canal Lining Project.

4. The State Water Resources Control Board (SWRCB) in Resolution 96-078 approved the "Amendments to the Water Quality Control Plan for the San Joaquin Valley."
5. The District completed a Categorical Exemption under sections 15301 and 15302(c) of the California Environmental Quality Act.
6. The San Joaquin Valley Drainage Program final report recommends: (1) source control to reduce deep percolation by the use of on-farm improvements of irrigation systems and (2) that the SWRCB provide funding for source control projects.
7. The SWRCB has provided State Revolving Fund loans twice before to the District to fund similar activities.

THEREFORE BE IT RESOLVED THAT:
