

STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 2001 - 068

AUTHORIZING EXECUTION OF AN INTERAGENCY AGREEMENT BETWEEN  
THE STATE WATER RESOURCES CONTROL BOARD (SWRCB) AND  
THE CALIFORNIA HEALTH AND HUMAN SERVICES DATA CENTER (HHSDC)  
FOR ELECTRONIC DATA PROCESSING SERVICES  
TO SUPPORT THE ACCOUNTING SYSTEM (CALSTARS)

WHEREAS:

1. The official accounting records for the SWRCB are maintained on a statewide automated cost accounting system known as the California State Accounting and Reporting System (CALSTARS). CALSTARS provides detailed accounting of appropriations, expenditures, encumbrances and receipts. This data is used to manage program and organizational budgets as well as to report expenditures and receipts to control agencies.
2. The Department of Finance maintains CALSTARS and provides technical support.
3. The SWRCB accesses CALSTARS primarily through personal computer connection and also through leased terminals in the Accounting Office. The lease of these terminals is incorporated into the HHSDC Interagency Agreement.

THEREFORE BE IT RESOLVED:

That the SWRCB authorize the Executive Director or his designee to negotiate and execute an interagency agreement with the Health and Human Service Data Center for data processing services in an amount \$500,000, and additional funding as needed but not to exceed 50% of the original contract, during the FY 2001-02.

CERTIFICATION

The undersigned, Clerk to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on May 17, 2001.
