3. Division of Clean Water Programs (Division) staff met with representatives from the Cities of Manteca, Stockton, Tracy, and Orange Cove on May 11, 2000, and the four participants agreed upon the following grant funding allocations: Manteca \$9 million, Stockton \$10.5 million, Tracy \$8.5 million, and Orange Cove \$7.5 million;
4. Section 79125 of the 2000 Water Bond Act allows for not more than three percent of the total allocation for administration costs, which could reduce the total funding to each City;

The City provided adequate responses to the comments. A Notice of Determination was filed with the San Joaquin County Clerk and the Governor's Office of Planning and Research on June 6, 2001. The Division issued CEQA Clearance on July 19, 2001.
