8644	2	Sequoia Union School District	Sequoia Union School Safe Drinking Water Project	1.00	Tulare	\$500,000

Subtotal Rank 2 \$6,465,055

*Contaminant score for this project was based on information provided by the applicant.

The Contaminant Score is the ratio of the average contaminant concentration divided by the Maximum Contaminant Level (MCL) for the contaminant.

Rank 1 includes all projects where the entire water supply exceeds the MCL, and the contaminant score is greater than 2.0; these projects are prioritized based on Contaminant Score.

Rank 2 includes all projects where the entire water supply exceeds the MCL, and the contaminant score is less than 2.0; these projects are prioritized based on Contaminant Score.

Rank 3 projects are prioritized based on Contaminant Score multiplied by the percent of the water supply exceeding MCLs.

Contaminant Scores are based on data provided by the Department of Health Services, unless indicated otherwise.

Project ranking will be verified prior to allocation of funds.
