

**STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 2026-0032**

ADOPTING THE 2027 NONPOINT SOURCE GRANT PROGRAM GUIDELINES,
AUTHORIZING STAFF TO SOLICIT AND RECOMMEND PROJECTS, AND
AUTHORIZING THE EXECUTIVE DIRECTOR, OR DESIGNEE, TO AWARD AND
EXECUTE FINANCE AGREEMENTS FOR THE 2027 NONPOINT SOURCE GRANT

WHEREAS:

1. The 2027 Nonpoint Source Grant Program may consist of funds from the Clean Water Act section 319h (CWA 319) grants and the Clean Water Act section 205j grants awarded by the United States Environmental Protection Agency (U.S. EPA).
2. The 2027 CWA 319 grant provides funding to states to implement their nonpoint source (NPS) programs. A portion of these funds may be used for grants to implement total maximum daily loads (TMDLs) and watershed-based plans to restore water bodies impaired by NPS pollution and protect high quality waters.
3. The State Water Resources Control Board (State Water Board) is authorized to administer federal funds pursuant to section 319 of the Clean Water Act for local NPS pollution control implementation activities. In recent years this has been between \$2.7 million and \$4.5 million.
4. State Water Board and Regional Water Quality Control Board staff have developed guidelines for the 2027 Nonpoint Source Grant Program to prioritize funds to address nonpoint source targeted pollutants and water bodies as identified in the 2025-2030 Nonpoint Source Program Implementation Plan.

THEREFORE BE IT RESOLVED THAT:

The State Water Board:

1. Adopts the proposed 2027 Nonpoint Source Grant Program Guidelines (Guidelines) and deems projects that comply with the Guidelines eligible to compete for funding from the 2027 Nonpoint Source Grant Program.
2. Authorizes staff to solicit and recommend projects to be funded from the 2027 Nonpoint Source Grant Program.

3. Authorizes the Executive Director, or designee, to award and execute financial assistance agreements and amendments to fund projects consistent with the Guidelines and to perform all acts and to do all things necessary and convenient to implement such agreements.

CERTIFICATION

The undersigned Clerk to the Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on September 1, 2026.
