

STATE OF CALIFORNIA  
STATE WATER RESOURCES CONTROL BOARD

Petitions of the Orange County  
Water District for Review of  
Orders Nos. 71-16, 72-22, 72-31  
and 72-38, of the California  
Regional Water Quality Control  
Board, Santa Ana Region.

Order No. WQ 75-1

BY THE BOARD:

In 1972 the Orange County Water District petitioned the State Water Resources Control Board (State Board) for review of the following orders of the California Regional Water Quality Control Board, Santa Ana Region (Regional Board):

- (a) Order No. 71-16 prescribing waste discharge requirements for the City of Fontana.
- (b) Order No. 72-22 prescribing waste discharge requirements for Terrace Mesa Apartments.
- (c) Order No. 72-31 prescribing waste discharge requirements for the Yucaipa Valley County Water District.
- (d) Order No. 72-38 prescribing waste discharge requirements for the City of Beaumont.

Petitioner substantially alleges that in each instance the order of the Regional Board violates Water Code Section 13263 by not complying with and appropriately implementing the relevant water quality control plan.

Each of the above orders has been rescinded by a subsequent order of the Regional Board, 71-16 by 74-87, 72-22 by 74-79,

72-31 by 74-76, and 72-38 by 74-47. Accordingly, the propriety of the Regional Board's action in adopting the orders in question is no longer at issue.

The State Board finds that:

The issues raised in connection with the above petitions have become moot.

THEREFORE, IT IS HEREBY ORDERED that the petitions for review of Orders Nos. 71-16, 72-22, 72-31, and 72-38 be dismissed.
