**HUMBOLDT WATERSHED COUNCIL, ENVIRONMENTAL PROTECTION INFORMATION
CENTER, AND SIERRA CLUB**

For Review of Directive to Enroll Pacific Lumber Company Timber Harvesting
Plans under General Waste Discharge Requirements, Order No. R1-2004-0030
California Regional Water Quality Control Board, North Coast Region

SWRCB/OCC FILE A-1683 AND A-1692

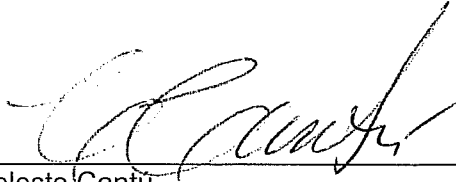

BY THE BOARD:

The State Water Resources Control Board (State Water Board or Board) adopted Order WQ 2005-0009 on June 16, 2005, invalidating the enrollment of certain timber harvest projects under a General Order adopted by the North Coast Regional Water Quality Control Board. The Pacific Lumber Company objected to the State Water Board's Order and sought judicial review. On June 19, 2006, the Superior Court for the County of Humboldt issued a writ of mandate and judgment in case No. CV050516 (*Pacific Lumber Company v. State Water Resources Control Board*). A copy of the judgment is attached. That judgment directed the State Water Board to set aside Order WQ 2005-0009 immediately upon receipt of the court's judgment and to take no further steps to enforce its terms.

The State Water Board has delegated to its Executive Director the authority to set aside orders of the Board when the Board is directed to do so in a writ of mandate.

PURSUANT TO THE AUTHORITY DELEGATED IN RESOLUTION 2002-0104,
IT IS HEREBY ORDERED that Order WQ 2005-0009 is set aside. This Order is not
precedential.
