**Section I: INTRODUCTION**

This Settlement Agreement and Stipulation for Entry of Order (Order, Stipulation, or Stipulation and Order) is entered into by and between the State Water Resources Control Board (State Water Board) on behalf of the Underground Storage Tank (UST) Cleanup Fund (Cleanup Fund) and Claimant (Galen Mogtaderi, Claimant or Settling Respondent) (collectively Parties)), and is presented to the State Water Board or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60. This resolves all outstanding claims by the Cleanup Fund and the Claimant with respect to Claim #18048, 15407 Crenshaw Boulevard, Gardena, CA.

**Section II: RECITALS**

1. On June 12, 2014, The State Attorney General's Office, on behalf of the State Water Resources Control Board (State Water Board), filed a civil complaint against Ami Adini & Associates, Inc. (AAA), and its principals, Mr. Ami Adini and Mr. Elie Balas, for professional negligence and negligent misrepresentation. The complaint seeks damages, civil penalties, and injunctive relief against Ami Adini & Associates, an environmental consulting firm in Los Angeles. The state estimates that between 2008 and 2013, Ami Adini & Associates, was reimbursed more than \$16 million from the State Water Board's Underground Storage Tank Cleanup Fund (Cleanup Fund).
2. Upon filing the complaint, the Cleanup Fund suspended all payments to AAA Claimants. In response, Galen Mogtaderi made contact with the Cleanup Fund and requested reimbursement of amounts it paid to AAA prior to the complaint being filed.
3. The Parties have engaged in settlement negotiations and agree to fully resolve the matter for a payment of **\$77,218.00** by the Cleanup Fund without administrative or civil litigation and

by presenting this Stipulation to the State Water Board or its delegee, for adoption as an Order by settlement, pursuant to Government Code 11415.60. In addition, the Claimant agrees to waive all rights to appeal costs for any and all work performed, supervised and/or directed by AAA and/or its principal(s).

4. The Cleanup Fund believes that the resolution of the alleged matter with the Claimant set forth herein is fair and reasonable and fulfills all of its enforcement objectives, that no further action is warranted concerning the claim, except as provided in this Stipulation, and that this Stipulation is in the best interest of the public.

### **Section III: STIPULATIONS**

The Parties stipulate to the following:

5. **Monetary Relief:** The Claimant hereby agrees to accept payment totaling \$77,218 in resolution of all outstanding costs, which includes all work performed, supervised and/or directed by AAA, AAA's principal(s), and/or AAA's subcontractors, known or unknown to the Claimant, related to Claim #18048. **Payment will be made within 90 days after execution of this Order by the State Water Board.**

6. **Injunctive Relief/Prohibitions:**

- a. The Claimant agrees to waive all rights to appeal costs related to any and all work performed, supervised by and/or directed by AAA and/or its principal(s).
- b. The Claimant agrees that all work performed, supervised by and/or directed by AAA and/or its principal(s) after November 14, 2016 is not reasonable and necessary corrective action and, therefore, will not be reimbursed.
- c. In exchange, the State Water Board agrees to forgo any enforcement action against the Claimant for any and all work performed, supervised, and/or directed by AAA submitted for reimbursement to the Fund prior to the date of entry of this Stipulation.
- d. Nothing in this Stipulation limits or prohibits the State Water Board from taking civil, criminal and/or administrative enforcement against the Claimant for actions related to the site that occur and/or are related to activity after the date of entry of the Order.

7. **State Water Board is not Liable:** Neither the State Water Board members nor the State Water Board staff, attorneys, or representatives shall be liable for any injury or damage to persons or property resulting from acts or omissions by Settling Respondent, its directors, officers, employees, agents, representatives or contractors in carrying out activities pursuant to this Stipulation and Order, nor shall the State Water Board, its members or staff be held as parties to or guarantors of any contract entered into by Settling Respondent, its directors, officers, employees, agents, representatives or contractors in carrying out activities pursuant to this Stipulation and Order.

8. **Necessity for Written Approvals:** All approvals and decisions of the State Water Board under the terms of this Stipulation and Order shall be communicated to the Settling Respondent in writing. No oral advice, guidance, suggestions or comments by employees or officials of the

State Water Board regarding submissions or notices shall be construed to relieve the Settling Respondent of its obligation to obtain any final written approval required by this Order.

9. **Compliance with Applicable Laws:** Settling Respondent understands that executing and fully complying with the terms of this Stipulation and Order is not a substitute for compliance with applicable laws, and that continuing and/or future violations of the type alleged herein may subject it to further enforcement.
