The Honorable Felicia Marcus, Chair
and Members of the State Water Resources Control Board
c/o Jeanine Townsend
Clerk of the Board
State Water Resources Control Board
1001 I Street, 24th Floor
Sacramento, CA 95814

Dear Chair Marcus and Members of the Board:

The SFPUC, owner and operator of the Hetch Hetchy Regional Water System, is appreciative that the SWRCB maintained our current conservation target in its Proposed Extended Emergency Regulation for Urban Water Conservation. Thank you for taking that comment from our January 6th letter into account, and for recognizing the strong conservation records of communities like ours with low per capita consumption.

We support the SWRCB's efforts to respond to the drought throughout the State, and we look forward to working with you to implement these regulations.

Sincerely,
