

**STATE WATER RESOURCES CONTROL BOARD
BOARD MEETING SESSION – DIVISION OF WATER QUALITY
NOVEMBER 1, 2016**

ITEM 7

SUBJECT

STRATEGY TO OPTIMIZE RESOURCE MANAGEMENT OF STORM WATER (STORMS)
UPDATE

DISCUSSION

On January 6, 2016, the State Water Resources Control Board (State Water Board) adopted a resolution approving STORMS as a strategy document to guide the Storm Water Program for the next ten years. Because of the significant stakeholder interest and unique implementation measures included in this strategy, the State Water Board in adopting [Resolution No. 2016-0003](#) requested that staff provide an update on the status of the strategy approximately six months after adoption. This informational item will include a very brief discussion of the nine ongoing Phase I projects; the efforts associated with the Implementation Committee; a summary of the outreach associated with the Seminar Series; as well as short presentations by stakeholders.

POLICY ISSUE

None.

FISCAL IMPACT

None.

REGIONAL BOARD IMPACT

None.

STAFF RECOMMENDATION

None, this is an informational item only.

<p>State Water Board action on this item will assist the Water Boards in reaching Goal 4 of the Strategic Plan Update: 2008-2012 to comprehensively address water quality protection and restoration, and the relationship between water supply and water quality, and describe the connections between water quality, water quantity, and climate change, throughout California's water planning processes.</p>
