PUBLIC NOTICE FOR INFORMATIONAL WINERY ORDER WEBINARS

NOTICE IS HEREBY GIVEN that State Water Resources Control Board (State Water Board) and regional water quality control board (regional board) staff will hold public webinars on the implementation of the *General Waste Discharge Requirements for Winery Process Water*, Order No. [WQ 2021-0002-DWQ](#) (Winery Order).

OVERVIEW: These webinars will focus on providing the regulated community (e.g., winery owners or operators) and related wine industry professionals information on Winery Order enrollment, technical requirements, specific implementation considerations, and role of the local regional boards. Each webinar will include information presented by the State Water Board and regional board staff. Time will also be included for live questions and answers (Q&A).

Which webinar should I attend? It is recommended to attend the specific regional board webinar applicable to the winery location (address). Registration is not required, and participants are welcome to attend multiple webinars.

How do I find my regional board? Using the [State and Regional Water Boards map look up tool](#), enter the winery's address in the upper left-hand corner to find the applicable regional board.

How do I ask questions during the webinar? Questions can be asked during the live webinar Q&A. It is also encouraged to submit questions prior to attending a webinar. Email questions to the State Board winery mailbox (DWQ-Winery@waterboards.ca.gov) and include the region--specific webinar in the subject heading of the email (for example "Region 2 webinar question").

ADDITIONAL INFORMATION: The State Water Board adopted the Winery Order on January 20, 2021 to provide consistent statewide permitting for winery waste discharges to land. More information can be found on the [Winery Order webpage](#).

Questions – Please direct questions on this notice to the State Board winery mailbox: DWQ-Winery@waterboards.ca.gov.

Future Notices – To receive future notices, please sign up on the automated e-mail list. To sign up, access the [Email List Subscription Form](#), provide the required information, and select the box for "Statewide General WDRs for Wineries" located within the "Water Quality" section.
