Existing Orders: NPDES Permit/Waste Discharge Requirements Order No. 99-68

SUMMARY

The proposed Order is presented in the new statewide format for National Pollutant Discharge Elimination System (NPDES) permits. This standardized format presents the proposed Order with all supporting information appended as associated attachments. Consequently, the facility information and permit evaluation discussion normally contained within the staff report are presented in the Fact Sheet as Attachment F to the proposed Order.

This format is being developed as a result of a statewide effort between the State Board, Regional Boards and USEPA to standardize NPDES permitting and compliance evaluation.

RECOMMENDATION

Adopt Order R3-2005-0046 as proposed.
