RE: Administrative Civil Liability Order NO. R3-2005-0024

Dear Mr. Briggs,

This letter is in response to the aforementioned Administrative Civil Liability Order (ACLO) for which I have received a copy. I am in concurrence with the order that stipulates \$28,050 for Regional Water Quality Control Board staff costs and \$96,950 for the three Supplemental Environmental Projects as outlined in the ACLO.

I do not intend to oppose the ACLO however for factual purposes only; I must clarify three items for the record. First, there was no "1330-foot dirt road" under construction secondly, no reestablishment of an "existing dirt road and thirdly, the subdivision application with the County of San Luis Obispo was withdrawn at my request before any hearings for approvals.

Thank you and please feel free to contact me if you have any further questions.

Respectfully,

*Cathy Davis for David Pierson as Representative.
