**SUPPLEMENTAL SHEET FOR REGULAR MEETING OF DECEMBER 5-6, 2013**

Prepared December 2, 2013

**ITEM NUMBER:** 17

**SUBJECT:** Irrigated Lands Regulatory Program Update

**STAFF CONTACT:** Angela Schroeter 805/542-4644 or

**SUMMARY**

As discussed on page 2 of the Item 17 Staff Report, this Supplemental Sheet is to provide to Board Members a copy of a memo to the Executive Officer recommending termination of enrollment for 69 individual farming operations that have failed to submit an electronic-Notice of Intent (eNOI).

Termination of enrollment would effectively remove these farming operations from coverage under Order No. R3-2012-0011, Conditional Waiver of Waste Discharge Requirements for Discharges from Irrigated Lands (2012 Agricultural Order).

If no additional information is received by January 16, 2014 to indicate that these farming operations should remain enrolled in the 2012 Agricultural Order, staff recommends that the Executive Officer complete the termination enrollment.
