**STATE WATER RESOURCES CONTROL BOARD FUNDING INFORMATION**

The State Water Board Division of Financial Assistance (DFA) administers a number of funding programs supporting wastewater and drinking water infrastructure projects in addition to other water quality protection and restoration projects. See the [DFA website](#)<sup>1</sup> for information regarding available loan and grant programs administered by the State Water Board.

State Water Board DFA maintains the following online dashboards tracking project funding applications and funded projects:

[Application Status Search Tool](#),<sup>2</sup> allows users to search for the status of State Water Board drinking water and clean water State Revolving Fund (SRF) project applications that have been submitted for funding consideration and are currently under review (this portal does not include approved projects).

[Program funding dashboard](#),<sup>3</sup> documents funded projects and descriptions via pull down menu options and graphics by funding program and geographic area for the most recent fiscal year for which the funding cycle has ended.
