Project Applicant: Cuesta College Community College District – Brian McAlister

Applicant's Agent: Padre Associates, Inc. – Alyssa Berry

Project Name: Chorro Creek Bank Stabilization Project

Receiving Water: Chorro Creek

City/County: San Luis Obispo / San Luis Obispo

Public Notice: December 2, 2024 – December 23, 2024

Project Description:

The purpose of the proposed Project is to stabilize an eroding creek bank threatening an Underground Storage Tank and powerlines.

The proposed project activities include:

- Excavating 321 cubic yards of the existing slope;
- Placing 170 linear feet of rip rap along the base of the excavated slope;
- Stabilizing the slope with a 77-foot-long concrete tie-back wall; and
- Diverting Chorro Creek temporarily using a pipe and gravel bags.

Mitigation activities include:

- Permittee responsible re-establishment of 0.249 acres / 340 linear feet of stream channel habitat.
