This Order responds to the 15 May 2026 request for an amendment of the Herndon Avenue Widening (Project) Section 401 Water Quality Certification (WDID No. 5C10CR00077). The original Water Quality Certification (Certification) was issued on 10 August 2020. The Project has not yet commenced therefore the City of Clovis is requesting a time extension.

The requested amendment is hereby approved. The original Certification is therefore amended as described below. Please attach this document to the original Certification. This amendment is not valid until and unless an amendment to the Section 404 Permit with equivalent modifications is approved by the United States Army Corps of Engineers (USACE) or it is otherwise determined by USACE that an amendment of the 404 Permit is unnecessary.

AMENDMENT:

The Certification is amended to change the expiration date from 10 August 2025 to 15 March 2031. The time extension will allow the City of Clovis to proceed with the Project described in the original Certification.
