**RESCISSION OF COVERAGE UNDER GENERAL WASTE
DISCHARGE REQUIREMENTS ORDER 2003-0003-DWQ-0018
SACRAMENTO COUNTY AIRPORT SYSTEM
SACRAMENTO INTERNATIONAL AIRPORT - MEISTER WAY
SEWER CONNECTION PROJECT
SACRAMENTO COUNTY**

On 1 July 2011, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-0003-DWQ) to the Sacramento County Airport System. The Notice of Applicability was for temporary discharges of extracted groundwater during construction dewatering for the Meister Way Sewer Connection Project.

Your 21 December 2011 letter and Notice of Termination state that the project has been completed, the discharge has permanently ceased, and you wish to terminate coverage under the General WDRs. Based on that information, coverage under Order 2003-0003-DWQ is hereby rescinded.

If you have questions, please contact Lani Andam at (916) 464-4723 or Anne Olson at (916) 464-4740.
