### ***TRANSMITTAL OF ORDER RESCINDING WASTE DISCHARGE REQUIREMENTS, PACIFIC GAS & ELECTRIC, NATURAL GAS PIPELINE RETIREMENT PROJECT R-610, SACRAMENTO COUNTY***

On 28 March 2017, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-003-DWQ) to Pacific Gas & Electric for discharges to land from natural gas pipeline retirement project R-610.

Your Notice of Termination, dated 10 August 2017, states that no further discharges from the project will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-003-DWQ-0164 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 [sarmstrong@waterboards.ca.gov](mailto:sarmstrong@waterboards.ca.gov).
