### NOTICE OF TERMINATION; LOW THREAT GENERAL WASTE DISCHARGE REQUIREMENTS ORDER RS-2013-0074-140, MARSH CREEK DISTRIBUTION SYSTEM FLUSHING PROGRAM PROJECT, CONTRA COSTA COUNTY

Central Valley Regional Water Quality Control Board (Central Valley Water Board) staff has been notified that the Contra Costa Water District has been issued a Notice of Applicability, implementing regulatory coverage under the Statewide Drinking Water System Discharge Permit, State Water Board Order 2014-0194-DWQ, with an effective date of 1 July 2016. Your submittal package and Notice of Intent for the Statewide Drinking Water System Discharge Permit serves as a request for termination of coverage under Central Valley Water Board's Low Threat General Waste Discharge Requirements Order R5-2013-0074.

Except for purposes of enforcement, coverage under Low Threat General Order R5-2013-0074-140 (WDID No. 5B07NP00020) is hereby terminated as of 1 July 2016 through this letter and invoicing will be modified accordingly. Please note that you must still submit your last quarterly monitoring report required under the Low Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.
