### **NOTICE OF TERMINATION; LOW THREAT GENERAL WASTE DISCHARGE REQUIREMENTS ORDER R5-2013-0074, RIVER ISLANDS SUBDIVISION CONSTRUCTION DEWATERING PROJECT; SAN JOAQUIN COUNTY**

Thank you for submitting the Notice of Termination Form dated 11 May 2016 requesting termination of coverage under the Low Threat General Order R5-2013-0074 for the River Islands Subdivision Construction Dewatering Project (Project).

On 22 May 2015, the Central Valley Regional Water Quality Control Board issued a Notice of Applicability for the Project, which was assigned Low Threat General Order R5-2013-0074-152 and WDID No. 5B39NP00075. Except for purposes of enforcement, coverage is hereby terminated as of 11 May 2016 through this letter and invoicing will be modified accordingly.

Please note that you must still submit your last quarterly monitoring report required under the Low Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.

If you have any questions, please contact Jim Marshall at (916) 464-4772 or [James.Marshall@waterboards.ca.gov](mailto:James.Marshall@waterboards.ca.gov).
