Attachment B

PART IV. Steering Committee Reporting Requirements

B. Annual Groundwater Monitoring Results and Annual Monitoring Report

Report Component (19) – Summary of Management Practice Information
In addition to submitting the Farm Evaluation data, as described in Section IV.B below, the Steering Committee shall aggregate and summarize information collected from Farm Evaluations.[1] Summarized and aggregated Farm Evaluation data must, at a minimum, be provided for each Township. The summary of management practice data must include a quality assessment of the collected information by township (e.g., missing data, potentially incorrect/ inaccurate reporting), and a description of corrective actions to be taken regarding any deficiencies in the quality of data submitted, if such deficiencies were identified.
