***RESCISSION OF COVERAGE UNDER WAIVER OF WASTE DISCHARGE REQUIREMENTS FOR SMALL FOOD PROCESSORS, WINERIES, AND RELATED AGRICULTURAL PROCESSORS WITHIN THE CENTRAL VALLEY REGION ORDER R5-2015-0005, PRATT VINEYARDS, LLC, DK CELLARS, EL DORADO COUNTY***

On 5 June 2015, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability (NOA) granting coverage under the *Waiver of Waste Discharge Requirements for Small Food Processors, Wineries, and Related Agricultural Processors within the Central Valley Region, Order R5-2015-0005-0037* to Pratt Vineyards, LLC dba DK Cellars (the Discharger). The NOA permitted discharge volumes up to 10,000 gallons per day of winery wastewater to land application areas.

The Central Valley Regional Water Quality Control Board (Central Valley Water Board) received an email from the Discharger dated 30 January 2017 requesting that coverage under the Waiver for wastewater discharge at the facility be rescinded. In a phone call between Central Valley Water Board staff and the discharger, conducted on 17 February 2017, it was confirmed that the winery has been permanently closed and the property is for sale.

Based on this information, coverage under Order R5-2015-0005-0037 is hereby rescinded.
