This public meeting may take place either in-person or via video and teleconference, and/or any combination of the two. Any person wishing to obtain information about changes to date, time, location, or format of the meeting should visit the [Board's website](#) (https://www.waterboards.ca.gov/centralvalley/board_info/meetings/).

The final meeting agenda will be available on the Board's website at least 10 days before the meeting. The agenda will provide the location and format of the meeting, the anticipated date the hearing will be held for this item, and the anticipated order of all agenda items; however, the Board may consider agenda items out of their listed order. The agenda materials may also include staff revisions to the proposed order.

Persons wishing to make non-evidentiary policy statements at the Board meeting (generally limited to 3 minutes) are **not** required to submit written comments, but the Board appreciates receiving such comments in writing by the due date listed above so they may be included in the packages the Board members receive before the meeting.
