RE: Comments on Tentative Waste Discharge Requirements Order (R5-023-XXXX)  
and Monitoring and Reporting Program (R5-2023-XXXX) for Mariposa County  
Landfill

Dear Mr. Benas and Ms. Kristen Gomes:

The Mariposa County Department of Public Works is submitting the following comments regarding the Tentative Waste Discharge Requirements (WDR) Order (R5-023-XXXX) and Monitoring and Reporting Program (MRP) (R5-2023-XXXX) for Mariposa County Landfill.

WDR, Page iii: The *Table Index* is misnumbered and skips Tables 2, 3, & 4.

WDR, Page 2, Paragraph 9.a: facility shop building and tire recycling center should be deleted. Used tire collection facility, Material Recovery Facility (MRF), compost facility, and used appliance collection facility should be added.

WDR, Page 2, Paragraph 10: "Resource Consideration Recovery Act" should be "Resource Conservation and Recovery Act".

WDR, Page 9, Paragraph 46: "title 23" should be "Title 23".

WDR, Page 22, Paragraphs A.2, A.3, and B.1: Table 10 should be Table 7.

WDR, Page 26, Paragraph F.1: "Monitoring" should be "Monitoring and Reporting Program".

WDR, Page 27, Paragraph 9: "Boarddetermines" should be "Board determines".

MRP, Page 4, Table 3: Confirming that "Nitrate – Nitrogen" was intentionally removed as a monitoring parameter.

MRP, Page 9, Table 9: Confirming that "Temperature" was intentionally removed as a monitoring parameter.

MRP, Page 9, Table 9: Does "Flow to Surface Waters at Time of Sampling" specifically refer to flow into the intermittent drainages identified in Paragraph B.3?

If you have questions, please do not hesitate to contact me at 209-966-5365.

Sincerely,

Samuel Cerveny  
Deputy Director  
County of Mariposa  
Department of Public Works
