

**21 FEBRUARY 2025 BOARD MEETING  
DISCUSSION AGENDA ITEM**

**AGENDA ITEM: 10**

**SUBJECT:**

Delta Regional Monitoring Program Update.

**BOARD ACTION:**

Information Item Only.

**BACKGROUND:**

The Delta Regional Monitoring Program was established to fund and coordinate Delta water quality studies to help inform water policy and actions for protecting this critical resource. The Program was formed as a partnership between regulated permittees, resource agencies, Water Boards, and USEPA. To help fund the Program, regulated permittees have been approved by the Board to trade regular individual receiving water monitoring for participation in regional studies under the Delta Regional Monitoring Program.

This informational item will update the Central Valley Water Board on Delta Regional Monitoring Program activities.
