SUBJECT: CONDITIONAL SETTLEMENT OFFER NO. R7-2026-0004: OFFER TO PARTICIPATE IN EXPEDITED PAYMENT PROGRAM RELATING TO ALLEGED VIOLATIONS OF ORDER NO. R7-2025-0017, NPDES NO. CA0104451

Dear Mr. Dale:

This letter notifies Niland County Sanitation District, Owner/Operator of Niland Wastewater Treatment Plant (Discharger), of alleged violations of effluent limitations and provides the Discharger with the opportunity to settle the violation(s) through payment of \$15,000 in mandatory minimum penalties pursuant to California Water Code (Water Code) sections 13385 and/or 13385.1. Please reply by **May 17, 2026**.

NOTICE OF VIOLATION

The Colorado River Basin Regional Water Quality Control Board (Regional Water Board) Assistant Executive Officer alleges that the Discharger has violated the above-referenced National Pollutant Discharge Elimination System (NPDES) permit as identified in Exhibit A, attached hereto, and incorporated by reference. The Discharger can resolve the alleged violations as discussed below.

STATUTORY LIABILITY

Water Code section 13385, subdivisions (h) and (i), require the assessment of a \$3,000 mandatory minimum penalty for specified serious and chronic effluent limitation violations. The Discharger is also subject to discretionary administrative civil liability of up to \$10,000 per day for each violation, plus \$10 for each gallon discharged but not cleaned up in excess of 1,000 gallons. The Regional Water Board may assess mandatory minimum penalties or discretionary administrative civil liability beginning with the date on which the violations first occurred. The formal enforcement action that the Regional Water Board uses to assess such liability is an administrative civil liability complaint. Alternatively, the Regional Water Board may refer the matter to the Attorney General's Office for

prosecution in the Superior Court. The Superior Court may assess up to \$25,000 per day for each violation, plus \$25 per gallon discharged but not cleaned up in excess of 1,000 gallons.

DISCHARGER'S OPTIONS:

PARTICIPATE IN EXPEDITED PAYMENT PROGRAM

The Discharger can avoid the issuance of a formal enforcement action and settle the alleged violation(s) identified in Exhibit A by participating in the Regional Water Board's Expedited Payment Program. The Discharger may accept this Conditional Settlement Offer, waive its right to a hearing, and pay the mandatory minimum penalty of **\$15,000** for the violation(s) described in Exhibit A. If the Discharger elects to do so, the Regional Water Board will execute the settlement offer subject to the conditions below. The Regional Water Board will accept the payment in settlement of any enforcement action that would otherwise arise out of the violation(s) identified in Exhibit A. Accordingly, the Regional Water Board will not issue a formal administrative civil liability complaint, will not refer the violation(s) to the Attorney General's Office, and will waive its right to seek additional discretionary civil liability for the violation(s) identified in Exhibit A.

This Conditional Settlement Offer does not address or resolve liability for any violation that is not specifically identified in Exhibit A.

To accept this Conditional Settlement Offer, the Discharger must complete, sign, and return the enclosed "Acceptance of Conditional Resolution and Waiver of Right to Hearing" (Acceptance and Waiver) on or before **May 17, 2026 (30 days)**. The Acceptance and Waiver is provided as Exhibit B (enclosed).

CONTEST THE ALLEGED VIOLATIONS

If the Discharger chooses to contest any of the violations alleged in Exhibit A, please identify the specific violation(s) and the basis for the challenge (factual error, affirmative defense, etc.) on or before the due date specified above. Regional Water Board staff will evaluate the contested violation and take one of two actions:

- 1) Determine that the violation warrants dismissal, dismiss the alleged violation(s) in the California Integrated Water Quality System (CIWQS) database, notify the Discharger of the dismissal, and take no further action against the Discharger for the alleged violation(s); or
- 2) Determine that the alleged violation(s) is/are meritorious and notify the Discharger of that determination. The Discharger will then have 30 days from the date of the notice of determination to accept settlement for the violation by submitting a complete Acceptance and Waiver. If the Discharger chooses not to accept or makes no reply to the determination within 30 days, the Discharger will be contacted by the Regional Water Board staff regarding a formal enforcement proceeding for the contested violation(s). Information received by Regional Water Board staff during any formal investigation and assessment of

the violation(s), as well as staff costs associated with pursuing the enforcement, may increase the liability beyond that set forth in this Conditional Settlement Offer.

CONDITIONS FOR REGIONAL WATER BOARD ACCEPTANCE OF RESOLUTION

Federal regulations require the Regional Water Board to publish and allow the public at least 30 days to comment on any settlement of an enforcement action addressing NPDES permit violations (40 C.F.R. section 123.27(d)(2)(iii)). Upon receipt of the Discharger's Acceptance and Waiver, Regional Water Board staff will publish a notice of the proposed resolution of the violation(s).

If Regional Water Board staff do not receive comments within the 30-day comment period and no new material facts become available to the Regional Water Board, the Executive Officer will execute the Acceptance and Waiver as a stipulated order assessing the uncontested mandatory minimum penalty amount pursuant to Water Code section 13385, subdivisions (h) and/or (i).

If, however, significant comments are received in opposition to the Acceptance and Waiver, this Conditional Settlement Offer may be withdrawn. In that case, the Discharger's waiver pursuant to the Acceptance and Waiver will also be treated as withdrawn and the violation(s) will be addressed in a liability assessment proceeding. At the liability assessment hearing, the Discharger will be free to make arguments as to any of the alleged violations, and the Discharger's agreement to accept this Conditional Settlement Offer will not in any way be binding or used as evidence against the Discharger. The Discharger will be provided with further information on the liability assessment proceeding.

In the event the Executive Officer executes the Acceptance and Waiver, full payment of the assessed amount shall be due within 30 calendar days from the date of the Executive Officer's signature. Funds collected for violations under Water Code section 13385, subdivision (h) and (i), shall be deposited in the State Water Pollution Cleanup and Abatement Account. Accordingly, the **\$15,000** liability shall be paid by cashiers or certified check made payable to the "State Water Pollution Cleanup and Abatement Account". Failure to pay the full penalty within the required time may subject the Discharger to further liability.
